

## **Bilingual MD or DO Family Practitioner**

The Santa Cruz Community Health Centers (SCCHC) began as a women's health collective in 1974 with the mission of providing high quality health services and advocating the feminist goals of social, political, and economic quality. Now, 40 years later, we serve that same mission as a nonprofit Federally Qualified Health Center operating two separate sites: the Santa Cruz Women's Health Center in downtown Santa Cruz serving women and children; and our new East Cliff Family Health Center in Live Oak, serving everyone.

The SCCHC has a diverse patient population and an engaging and friendly work environment. Our caring and committed staff works as a team to fulfill our mission so that all of our patients have access to comprehensive, quality health care.

We are seeking a Primary Care Clinician to join our team and provide comprehensive primary care services, including preventive health, chronic care, pediatric care, reproductive health and urgent care services for patients of all ages.

### **What We Offer**

- Progressive, collaborative, patient-focused work environment
- No on-call or hospital duties
- Competitive salary and benefits package
- A team dedicated to providing high quality Family Health, Pediatric and Integrated Behavioral Health services

### **Required Competencies**
