

## **Job Announcement**

### **Behavioral Health Site Lead (Exempt, Full-Time)**

The Santa Cruz Community Health Centers (SCCHC) began as a women's health collective in 1974 with the mission of improving the health of our patients and the community and to advocate the feminist goals of social, political, and economic equality. Now, 40 years later, we serve that same mission as a nonprofit Federally Qualified Health Center operating two separate sites: the Santa Cruz Women's Health Center in downtown Santa Cruz serving women and children; and our new East Cliff Family Health Center in Live Oak, serving everyone.

The SCCHC has a diverse patient population and an engaging and friendly work environment. Our caring and committed staff works as a team to fulfill our mission so that all of our patients have access to comprehensive, quality health care.

Our health centers adopted an Integrated Behavioral Health model in 2012 and all staff members and providers participate in offering Behavioral Health support to our patients.

**Job Summary:** The Behavioral Health Site Lead supports their site's Behavioral Health team to achieve high job satisfaction and performance; assists the BH Director to ensure access to high-quality Behavioral Health services for SCCHC patients at their clinical site; and advances SCCHC's Strategic Plan through working closely with the BH Director and other site leads and Clinic Managers. The site's Behavioral Health Providers report directly to the BH Site Lead, who continues to provide direct service by maintaining their current role of BH Provider II. The BH Site Lead is expected to demonstrate exceptional clinical, leadership, strategic planning, critical thinking, patient relations, organizational, and time management skills. The position reports to the BH Director.
