

TEMPORARY PATIENT SERVICES ASSOCIATE JOB ANNOUNCEMENT

Santa Cruz Community Health (SCCH) is a multi-site, Federally Qualified Health Center (FQHC) serving Santa Cruz County residents. SCCH began as a women's health collective in 1974 with the mission to improve the health of our patients and the community and advocate the feminist goals of social, political, and economic equality. Now, 50 years later, we serve that same mission at our three clinic sites: the Santa Cruz Women's Health Center in downtown Santa Cruz serving women and children; the Live Oak Health Center serving everyone; and the Santa Cruz Mountain Health Center providing appropriate and expanded access to care for our patients in the San Lorenzo Valley.

Driven by our commitment to health care as a human right, SCCH is a leading non-profit provider offering comprehensive health services to our patients, regardless of their ability to pay. We have been recognized in the community as a leader in delivering high-quality, innovative care, and we are active in local, state, and national advocacy work that empowers our patients and community to be healthy, happy, and successful.

SCCH has a diverse patient population and an engaging and friendly work environment. Our caring and committed staff works as a team to fulfill our mission so that all our patients have access to quality, whole-person health care.

POSITION SUMMARY:

The Patient Services Associate (PSA) is responsible for performing a variety of administrative office duties which contribute to the successful operation of the Medical Records Department, specifically delivery of affordable, quality healthcare to our patients. As a team member of the Medical Records Department, the PSA may also provide support to other departments within Operations. This position requires exceptional critical thinking, staff and patient relations, organizational and time management skills, as well as attention to detail.

This is a temporary position, 50% - 100% time. There is the possibility that a regular full-time position will become available within the next several months.
